DSGN collection

**DSGN Cloud**  
**DSGN Tweed**  
**DSGN Absolute**

The DSGN collection takes its inspiration from different corners of the art world and combines it into a timeless and sophisticated series. The three loop pile designs – DSGN Cloud, DSGN Tweed and DSGN Absolute – coordinate perfectly thanks to their shared use of colour and in-house yarn, which also makes them a perfect companion to our First collection.

Mixed & matched or used on their own, these versatile patterns are guaranteed to spark your imagination and bring about creative floor designs.

# DSGN Absolute

Like a blank canvas, DSGN Absolute offers a solid base that will give your space a unique look through its mix of colour nuances.

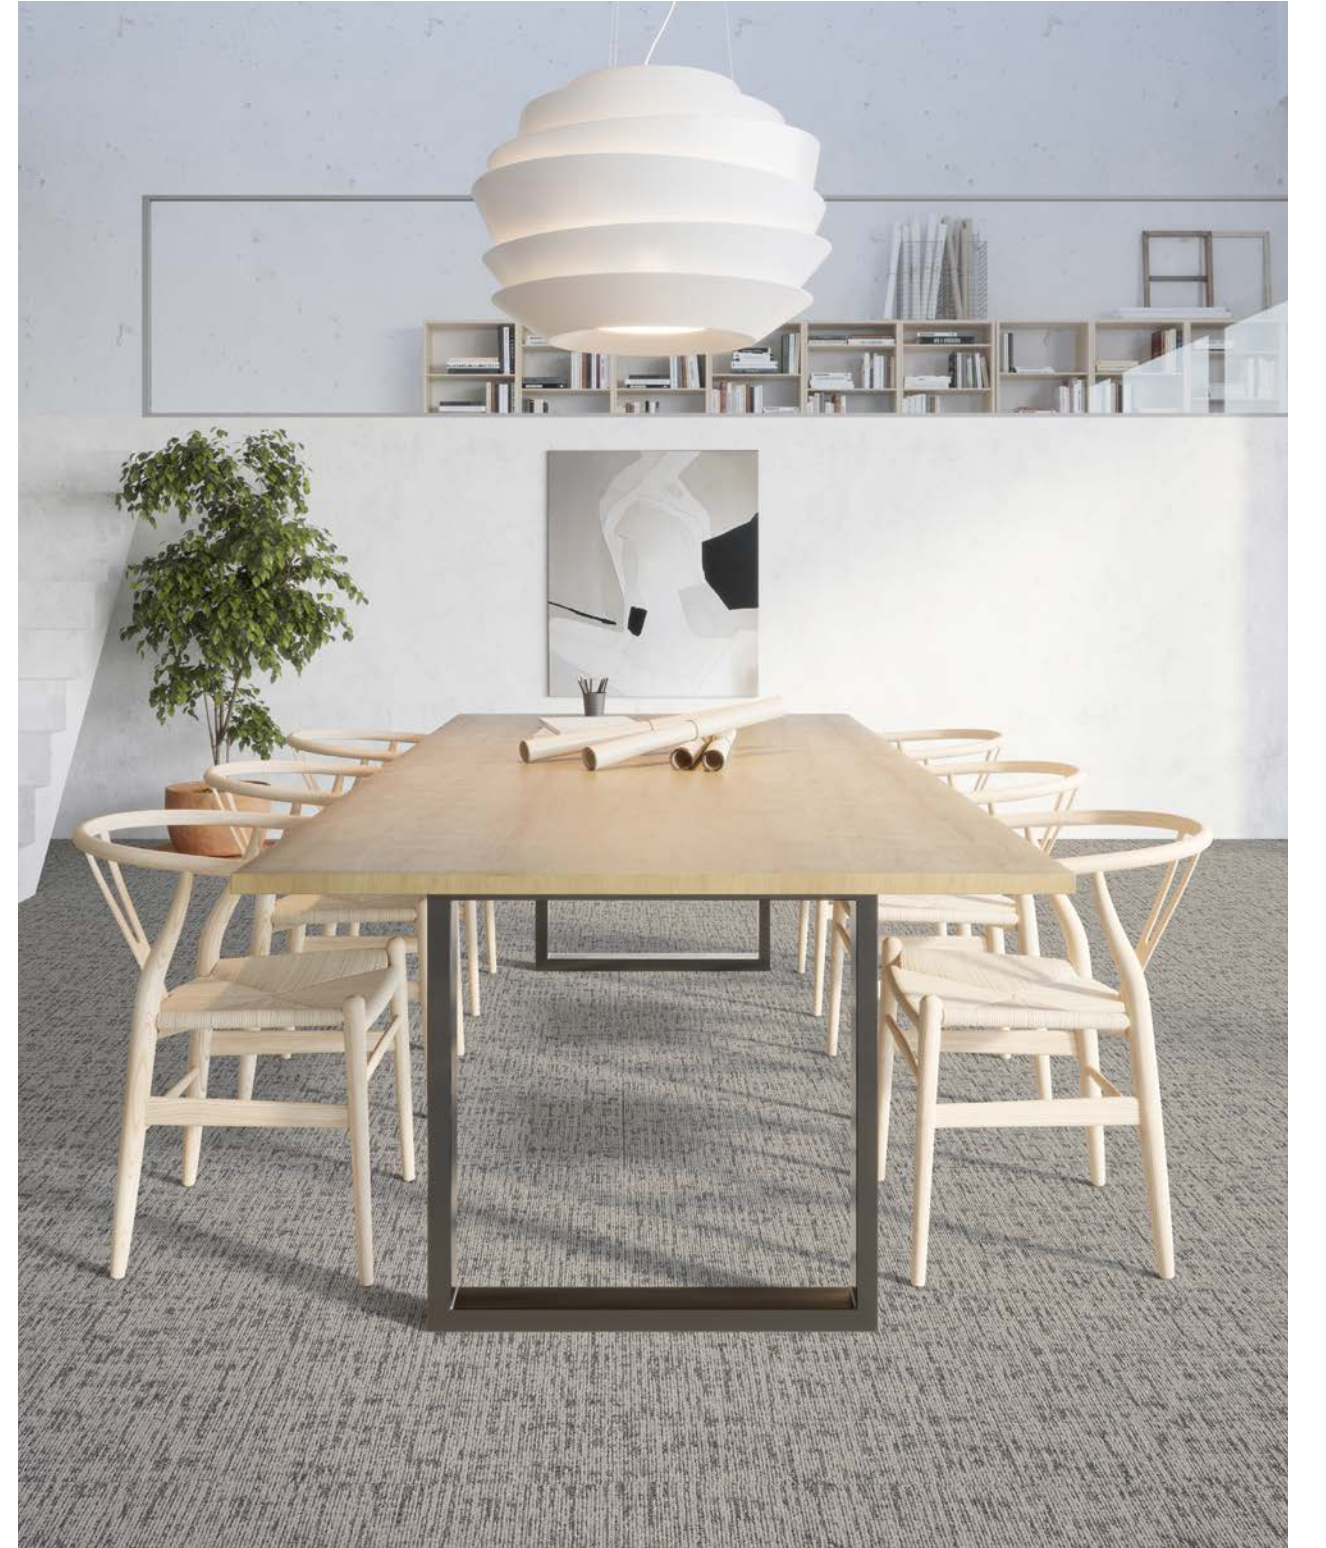

The combination of two subtly contrasting tones creates a washed-effect that balances out the pattern. With a revamped colour palette, DSGN Absolute can be mixed and matched effortlessly with DSGN Cloud, DSGN Tweed and our First collection for creative tone-on-tone effects.

The iconic tweed fabric serves as an inspiration for our DSGN Tweed collection. Brought to a contemporary setting, this dense textured pattern creates an artisanal feel that is both timeless and chic.

Next to muted and earthy colour tones, we've added some bright colours that coordinate perfectly with DSGN Cloud, DSGN Absolute and our First collection.

# DSGN Cloud

DSGN Cloud's pattern is inspired by cloud formations, the muse of many artists.

Guided by our deep connection to nature, we created a tranquil and organic carpet tile design with a soft transitioning between lighter and darker tones. 16 colour variations set a dreamy and transient mood, incorporating both neutral and bright hues that will lend the perfect ambience to your space.
